All Mountain Vista is divided into two parts. Last week, those living along La Paz. This week the spotlight is focused on the Granada Homes—four models that range in price from \$24,950 to \$39,500.

Granada Homes are most convenient. They place one parking place, the size of the average driveway, along with the carport in offering.

Granada, San La Paz.

The Granada is a doll of a home that provides low maintenance and low costs. The basement is finished. Price for the home is \$29,950. Model with attic fan and area of hidden panel home is \$39,500.

has been available package. The package in the fourth area can be converted for a good looking and useful kitchen.

The house is a three or four bedroom home with two baths, a formal dining area, a living room and a family room.

The living room is an attractive room that would accommodate a large set of heavy panels. The dining room is again well designed for either a table or a bar.

There's nothing wrong with the plan. It works perfectly well. There are two bedrooms, three baths, a sunken living room and a formal dining room among its assets.

The America is a safe

side home with lots of possibilities.

The house has a lot of space, a full bathroom and a lot of storage and parking space. The house is a lot of space.
