Seville Townhomes

MISSION VIEJO

You have seen townhomes before. But, have you ever seen townhomes with privately fenced, individual yards? Large enough to express your own individuality, but never too large to become a chore. Come and preview our brand new Seville Townhomes in fabulous Mission Viejo. Discover the big difference in gracious townhome living.

Here are decorator innovations in two, three, and four bedroom luxury townhomes with vaulted ceilings and wood beams. The attractive kitchens feature a full range of modern built-in appliances, including dishwasher, disposal, range and oven. You'll find carpeting in the living room, dining area, bedroom and halls. And sliding glass doors open to your privately fenced yard. The exteriors are rich in wood and brick or stone.

Imagine! Exterior maintenance and landscaping chores are managed for you. And you still have all the benefits of privacy . . . including your own garage and carport.

Look for Seville Townhomes in the exciting world of Mission Viejo . . . a planned $110 million walled community in southeast Aurora, near Cherry Creek reservoir.

Mission Viejo is a world designed for carefree living . . . complete with beautifully landscaped greenbelts winding through the community and neighborhood parks. A new Cherry Creek elementary school, City of Aurora fire station, and a lavish, Private Recreation Center are all now under construction. Churches, an Aurora Public Library, and neighborhood shopping centers are planned for and soon will be built.

The three-quarter of a million dollar recreation center will offer a competition size, heated, indoor swimming pool, sauna bath, Jacuzzi pool, and exercise rooms. There will be a separate adult lounge with fireplace and billiard room. Tennis courts and volleyball courts will also be included in the complex. A full slate of recreation activities for you and your family!
