

WHY TRADE APARTMENT LIVING FOR MORE APARTMENT LIVING?

Tired of apartment living and seeking new options? Why not trade in your apartment for the privacy and security of a townhome? You'll still enjoy the convenience of apartment living, but you'll also have the privacy and security of a home. In town, look for and receive your own front and back yards, a garage, and a quiet location with all the best features of a traditional home.

And at 55, you'll be part of the Seville Townhomes Village—a fully planned, gated residential community in southwest Aurora. Your new, 2,000-sq-ft fully-finished four-season center is now open, offering a large indoor swimming pool, tennis courts, basketball and basketball courts, an exercise room, picnic and grills, library to enjoy that quiet time in your home.

enjoy a luxury apartment combined with the privacy and security of a home. You'll still enjoy the convenience of apartment living, but you'll also have the privacy and security of a home. In town, look for and receive your own front and back yards, a garage, and a quiet location with all the best features of a traditional home.
