etching paves y to college

Marino and Geni's children at their high school, have led to an interesting project in the state of California. The two have made 400 copies of their "Village" brochure and are now putting brochures in high schools all over the state. The two have also set up a "Village" office at the University of California, Berkeley. The office is open to all students who are interested in the "Village" project. The office is open to all students who are interested in the "Village" project. The office is open to all students who are interested in the "Village" project.

ing to go to Golden City, CA. The two have been in the business for several years and have a lot of experience in the area. They have been successful in their business and are now looking for new opportunities. They have been successful in their business and are now looking for new opportunities. They have been successful in their business and are now looking for new opportunities.

SUMMIT HOMES: Mission Viejo's new neighborhood of 2- and 3-bedroom homes with full basements and 2-car garages... models available with two baths, fireplaces and walk-in closets... ranch styles and tile-tops, energy-saving insulation packages.

From \$34,750 to \$38,950. FHA, VA and conventional financing available. Consider the value today with an eye to the future in the well-established environment of Mission Viejo... the community with a direction. Residents may join the fully staffed recreation center with indoor pool, Jacuzzi, three lighted tennis courts, saunas, party rooms, shopping center, school, library... open spaces, easy pavilions, that uncruciated feeling.

Mission Viejo Company, builder of America's most successful new communities.
