Expandable, to grow later on. And well built with attention to detail for value and comfort. Choose from three flexible floorplans, plus, at Summit, you get standard unfinished basements, two or three bedrooms, a choice of life's better options, wood-burning fireplaces and a choice of many decorator items. For more home, for less, see Summit.

## Cherry Glen

## Willowood

Priced from the low \$90's  
Living up to your greatest expectations starts at Willowood. Mission Viejo's limited edition custom-appointed homes.  
At Willowood, you'll find dramatic designs for living: large spacious multi-level floor plans which provide privacy. Three and four bedrooms including master suites with elegant bath and dressing rooms, some with Roman style baths. **Your Community:** When you select a home at Mission Viejo, you choose a community, too. Planned to include the things you want: winding streets, bike paths and parks. There's a shopping center and optional membership in a recreational facility with indoor pool, tennis courts and clubhouse. Easy access to major highways, transit and the places you need to go. And your children can attend Cherry Creek District schools. The extra that adds to more value, not more money.
