

## WILLOWOOD: THE GOOD LIFE. BEFORE YOU THOUGHT YOU COULD AFFORD IT.

Your tastes and goals, like your family, are changing. You're ready for a better way of life, filled with all the nice things you've earned. So now it's time to think of a larger, more luxurious home.

It's time to think of Willowood.

It's time, too, to think of moving up to a lifestyle that complements Willowood's luxury. The kind of lifestyle offered by Mission Viejo, the beautiful community in southeast Arizona, where architectural controls assure residents of continuing pride in this warm and friendly neighborhood. Mission Viejo also offers nationally acclaimed Cherry Creek schools. Complete recreational facilities. And an air of exclusivity accentuated by beautiful entranceways.

It's time to think of dramatic multi-level floorplans with rooms enough to provide privacy and definition between bedrooms and between living rooms, family rooms and dens. It's time to think of two or

three car garages and handcrafted brick fireplaces with raised hearths.

And things like custom oak cabinets and richly stained woodwork. Large kitchens with quality features, fixtures and appliances. Master suites with soaring cathedral

ceilings and spacious closets. And elegant bath/dressing areas, which include separate showers and Roman style tubs in most models, enhanced by cameo colored sinks and bronze tone hardware.

So if your time has come, it's time to visit Mission Viejo and talk to one of our sales counselors. And see how easily you can move up to a Willowood home.

And the good life your family deserves. Sales Office open 10AM to 6PM daily. 690-0702.

Sales Office located at Model Homes.

Prices from \$90,000
