FROM \$29,500 TO \$85,750

FROM \$89,500 TO \$48,500 W/ FHA CONVENTIONAL

Mission Viejo doesn't have just one thing. We just make it available to everyone. The distinctive Mission Viejo signature on the wall offers the first sign that here is an exceptional, beautiful, new community.

Drive through this \$170 million, planned residential community, lined with beautiful homes, its open, mile-long streets, lush green lawns, green hills, and think about neighborhood shopping centers, schools, churches, and parks which are planned.

See the \$250,000 Recreation Center, now under construction. Close to schools, it's within a year's travel, before entering your own like homes, schools, stores, and a full slate of exciting activities.

Stand upon the site of the new day station, the new Green Creek Elementary School, and the new library, which have already been dedicated, and will soon be built.

And, know how the air of pride which is apparent is even the local casual visitor. Here is a new Southern Community being built... the most ambitious, innovative, representative new residential development ever conceived... anywhere.

Mission Viejo... it's 1984, when time has almost built about time you arrived, last!
