MISSION VIEJO - AURORA, COLORADO
 COLORADO'S FINEST PLANNED COMMUNITY

...will be known when they set out to buy an air conditioner or is answered in new booklet of available New York published by Emerson Quiet Kool, a division of Emerson Electric Sales Corp.

How big an air conditioner do I need? What's the best type for a home? How can I be sure my air conditioner will give enough comfort for my money? What should I do to take proper care of my air conditioner?

These are the first most common questions you can ask your sales representative. The booklet explains the fundamentals of air conditioning, how to choose the right size and type of air conditioner, how to take proper care of your air conditioner, and how to choose the right type of air conditioner.

Following an introduction describing how air conditioning works, the booklet explains the fundamentals of air conditioning, how to choose the right size and type of air conditioner, how to take proper care of your air conditioner, and how to choose the right type of air conditioner.
