

1982. The 1982 year's average for the entire country is 1.2 percent. The 1982 year's average for the entire country is 1.2 percent. The 1982 year's average for the entire country is 1.2 percent.

...of the population. That represented a jump of 15 per cent since 1980, and it's still climbing. Why the sudden passion for second homes? Irving

"BUT THE GREAT POVERTY," attributes "to the fact that... I think there's a great segment of America... Continued on Page 11

IT MAKES SENSE

MISSION VIEJO

...LIFE heads get together, and share a sunny, full, happy, fulfilled dream, in the exciting "second life" beauty community, Mission Viejo. For the sheer joy of good living, invest in the joy of lifetime today... with an irreplaceable San Luis Rey or Riverside location. There, create your retirement, investment, and your future, grow and prosper in the most vibrant, beautiful, new planned community in the Orange area.

...Live more like the great estates, with outstanding recreational facilities, including year round swimming, tennis, basketball, and other activities planned for the entire family. Save thousands on a new home... South, Tri-Level, or Two-Story, up to five bedrooms, with up to three baths, from only \$ 27,995 to \$45,500
