

WHEN IS MISSION VIEJO?

In most ways, Mission Viejo, Colorado is
MISSION VIEJO!

In terms of design, and in today's climate of
 design — Mission Viejo has redefined a community as
 it being both new and old.

In terms of physical progress, Mission Viejo will
 actually open its doors for the Grand Opening
 this summer.

All Hampshire Avenue and Chambers Road, in
 Aurora, you will see the home and garage tracts,
 all one of a kind (1000 sq ft) model community
 planned by Mission Viejo. The Mission Viejo Company
 is nationally recognized as one of today's most in-
 genious, creative, and successful land developers
 and home builders.

When you come to Aurora to see Mission Viejo,

if you see you will find lots of homes built in a wide
 variety of personal styles. Homes with 2 to 3 bed-
 rooms and 2 to 3 baths. They will be all brick,
 1 1/2 level and Two Story designs (1600 sq ft) or more
 in size.

They will cost in price from \$179,000 to \$275,000.
 They will include features which really make the
 reputation of the Mission Viejo Company.

They will make you realize why the homes at
 Mission Viejo in Colorado have become so popular
 since 41% in the last three to five years since they
 were built.

Come out to Aurora now — you'll be happy you
 did. You'll be sure to enjoy what you find. It!
