

**LUMINERIA** — The traditional lighting of the sand candles on every street in Mission Viejo will be staged Christmas Eve from 7 to 8 p.m. The community is invited to participate.

Esther Sanderson's combination second and third grade class of 33 students submitted their most confidential requests in "Letters to Santa." Although we were only able to print a handful, we're certain that Santa will enjoy reading all of them.

Dear Santa Claus,  
 I have been good and bad.  
 But will you get me a mouse trap
